WELCOME

Homeschooling is more than academics, it's discipleship. Every lesson, conversation, and moment of curiosity is an opportunity to point our children toward Christ.

At Legacy Homeschool Resource Center, we believe parents are the primary educators, and they deserve the tools, training, and community to do it well.

That's why we opened the Legacy Curriculum Library.

This resource gives homeschool parents a place to browse curriculum in person, receive guidance from mentors, and experience the encouragement of a faith-filled community.

We invite you to partner with us as we build this space one shelf, one chair, one story at a time.

Together, we can equip parents, engage students, and enrich homeschool.

With gratitude and vision,

Legacy Homeschool Resource Center Leadership Team

About Legacy HRC

Who We Are:

At Legacy Homeschool Resource Center (Legacy HRC), we believe education IS discipleship. God gives parents the primary responsibility of discipling their children (Deuteronomy 6:7), and we exist to come alongside families with a Christ-centered approach to home education that values both knowledge and wisdom in training up our children.

MISSION:

We exist to rescue education from cultural drift and return it back to the Biblical discipleship model. By empowering parents, engaging students, and enriching the homeschool journey, we are building a legacy of strong nuclear families who are well-equipped to raise up a strong next generation for Kingdom impact.

VISION:

We envision a vibrant community where home education is fully supported, families are strengthened, and children develop a deep relationship with Christ that continues for generations to come.

Why Legacy Matters Now:

Homeschooling is one of the fastest-growing education movements in the United States. In Rutherford County alone, there are more than 7,000 students registered in alternative education programs, including homeschooling. Families need a Christ-centered hub where discipleship, education, and community intersect. Legacy HRC fills this gap by providing tailored support for parents, students, and families, helping to build stronger homes today and preparing the next generation of leaders for tomorrow.

Core Values:

- Faith-Driven: Every program is rooted in God's Word.
- Excellence: We strive to honor God by doing all things with excellence.
- Community: Families thrive when they are connected and supported.
- Integrity: We operate with transparency and stewardship.
- Growth: We pursue both academic and spiritual growth for students and parents alike.
